Once upon a time, there was a little black girl  
In the bust of projects of Detroit, Mexico  
At fifteen, she was spotted by an Ebony Fashion Fair  
talent scout  
And her modeling career took off, you better work

You better work, cover girl, work it girl, give us a twirl  
Do your thing on the runway  
Work, supermodel, you better work it, girl of the world  
Wet your lips and make it love to the camera

Work, turn to the left, work, now turn to the right  
Work, sachey chantey  
Work, turn to the left, work, now turn to the right  
Work, sachey chantey

It don't matter what you wear  
They're checking out your savior fair  
And it don't matter what you do  
'Cause everything looks good on you

Supermodel work, cover girl, work it, girl, give us a twirl  
Do your thing on the runway  
Work, supermodel, you better work it, girl of the world  
Wet your lips and make love to the camera

Work, turn to the left, work, now turn to the right  
Work, sachey chantey  
Work, turn to the left, work, now turn to the right  
Work, sachey chantey

I see your picture everywhere  
A million dollar fairytale  
And when you walk into the room  
You've had everybody's eyes on you

Supermodel

Linda, work, mama, Naomi, she is fierce  
Christy, foxy lady, other side  
Cindy, I can feel it, Claudia, set on the cover  
Nicky, work that runway, sweetie

I have one thing too say, sachey, chantey, chantey,  
chantey  
chantey, chantey, chantey  
I have one thing too say, sachey, chantey, chantey,  
chantey  
chantey, chantey, chantey, whoa

It don't matter what you wear  
They're checking out your savior fair  
And it don't matter what you do  
'Cause everything looks good on you

Supermodel work, cover girl, work it, girl, give us a twirl  
Do your thing on the runway  
Work, supermodel, you better work it, girl of the world  
Wet your lips and make love to the camera

Work, turn to the left, work, now turn to the right  
Work, sachey chantey  
Work, turn to the left, work, now turn to the right  
Work, sachey chantey

You better work, work  
Work, supermodel  
You better work, work, work  
I have one thing to say, you better work
