[Verse 1]

To all the ladiez in the dance (hey ya'll) oh!
I loose all controll when i see you standing there infront
or me
Your style, your clothes, your hair
Your fair woman you look so sexy
The way you wind and
The way you dance and
The way that you twist and turn your waist
Leaves me wanting leaves me yearning leaves me
feeling for a taste

[CHORUS]

Before the end of the night
I wanna hold you so tight
You know i want you so much
And im so tempted to touch
Tempted to touch, Tempted to touch
Hey lickle woman man i need you so much
Tempted to touch, Tempted to touch
Hey lickle woman man im inside your clutch
Tempted to touch, Temped to touch
Hey lickle woman man i need you so much
Tempted to touch, Tempted to touch
Hey lickle woman man im iNside your clutch

[Verse 2]

To all my ladiez in the dance (hey ya'll)
(im thinking of you having my baby) uh
I don't even know your name
Licke woman i don't even know your age
But there's somthing about you girl that
Wen i see you winding in front of the stage
Please forgve me
Please excuse me
But there's nothing else that a man can do
I can't help myself lickle woman
I just need to be next to you

[Chorus]

Before the end of the night
I wanna hold you so tight
You know I want you so much
And I'm so tempted to touch

Tempted to touch, tempted to touch
Little woman, man I need you so much
Tempted to touch, tempted to touch
Little woman, man I'm inside your crotch
Tempted to touch, tempted to touch
