This is the beginning of the record you like
Over and over, over and over!
This is the beginning of the record you like
Over and over, over and over!

Breaking up, fading out,
Holding on until tomorrow!
Shake it off, turn around,
Won't be long, till is a brand new day!

[Chorus:]
This is the beginning, the beginning!
This is the beginning of the rest of your life!
This is the beginning, the beginning!
This is the beginning of the rest of your life!

You better get it - get it (get - get) get it - get it - right -
right
That was then, this is now.
Here we go starting over

That was then, this is now,
Here we go starting over!
You decide, change your mind,
Miracles happen every day!

[Chorus:]
This is the beginning, the beginning!
This is the beginning of the rest of your life!
This is the beginning, the beginning!
This is the beginning of the rest of your life!

You better get it - get it (get - get) get it - get it - right -
right
That was then, this is now.
Here we go starting over

Change the world, change your mind,
We defy space and time!
Change the world, change your mind,
We defy space and time!

Change the world, change your mind,
We defy space and time!

[Chorus:]

This is the beginning, the beginning!
This is the beginning of the rest of your life!
This is the beginning, the beginning!
This is the beginning of the rest of your life!
