Oh won't you ease some heaven into
something
I've begun
It seems so long
My orange song
Came and gone
You shiver snake the nightingale
To catch the early fly
Them greenly greenly flies
Oh won't you sing along come on
come on
Stop Anachinaeva
Ooshticka she leave to pick up later
Mountainistic lady shaver
Trim the furry limb
Anachinaeva
Take a silver summer day
And dangle long on string
There's no such thing
The cynic sings
Where's my wings
You open up the nightingale
To find the note to ring
The greenly greenly ring
Oh won't you ring along come on
come on
Stop Anachinaeva
Ooshticka she breed enough for lader
Sabbalithic open razor
Trim the furry limb
Anachinaeva
Stop Anachinaeva
Oosthicka the water wash you later
Cockaleaky saturator
Trim the furry limb
Anachinaeva
Droop a little sympathy
The naked lady yawns
It's always dawn
The night you're born
Safely torn
You stroke a sleeping nightingale

With just a lazy eye
The greenly greenly eye
Oh won't you jingle on come on come on
Stop Anachinaeva
