Zutto sagashiteita yo boku no kienai niji o
Kimi no hitai ni sotto kuchibiru o ateru

Atatakana yasuragi wa yume janai

Nanairo no hikari ga furu kagayaita kimi no egao o
Kono mune ni dakishimetara nanimoka mo

Nemutteita minai ga ima ugokidasu

Meguri aeta koto o taisetsu ni shiyō
Futari ga donna namida o nagashita to shitemo

Mitsumeai hibikiai ikite ikou

Yawarakana mizu o suberu kaze no you na kimi no koe

Mune no naka wakidasu izumi
Doko made mo nagareteyuku afureteiku

Nanairo no hikari ga furu kagayaita kimi no egao o
Kono mune ni dakishimetara nanimoka mo
