Doushite nikushimi wo ataete shimatta no?
Doushite yasashisa wo ubaisatte iku no?

Tooku fukai sora kotae wo mou oshiete

Kirei na kirei na hakoniwa de
Hora kyou mo nani ka ga kowarete
Yukusaki wo shiranai bokura ha
Tada chiisaku furueru suna no tsubu

Mujaki na kizuguchi ha hitori de nuimashita
Muimi na ikari nara jibun de tabemashita

Sukui wo motomeru yubi ha sora wo kiru dake

Bokura ga asobu hakoniwa de
Aa ashita ha nani ga kowareru no
Yasuraka na ame ni nureru made
Tada bokura ha maitobu suna no tsubu

Kirei na kirei na hakoniwa de
Hora kyou mo nani ka ga kowarete
Yukusaki wo shiranai bokura ha
Tada chiisaku furueru suna no tsubu
