... "I have not left this cave for days now, it has become my last refuge in my total despair. I have only the music of the waterfall to comfort me now. I can no longer live under the control of the Federation, but there is no other place to go. My last hope is that with my death I may pass into the world of my dream, and know peace at last."

The sleep is still in my eyes
The dream is still in my head
I heave a sigh and sadly smile
And lie a while in bed
I wish that it might come to pass
Not fade like all my dreams...
Just think of what my life might be
In a world like I have seen!
I don't think I can carry on
Carry on this cold and empty life
My spirits are low in the depths of despair
My lifeblood...
...spills over...
