Suddenly, you were gone
From all the lives you left your mark upon

I remember
How we talked and drank into the misty dawn
I hear the voices

We ran by the water on the wet summer lawn
I see the footprints
I remember

I feel the way you would
I feel the way you would
I feel, I feel the way you would

Tried to believe but you know it's no good
This is something that just can't be understood

I remember
The shouts of joy skiing fast through the woods
I hear the echoes
I learned your love for life,
I feel the way that you would
I feel your presence
I remember

I feel the way you would
I feel the way you would
I feel, I feel the way you would
This just can't be understood

(instrumental)

Tried to believe but you know it's no good
This is something that just can't be understood

I remember

I feel the way you would
I feel the way you would
I feel, I feel the way you would
This just can't be understood, no
