You can roll that stone  
To the top of the hill  
Drag your ball and chain behind you

You can carry that weight  
With an iron will  
Or let the pain remain behind you

Chip away the stone  
Chip away the stone  
Make the burden lighter  
If you must roll that rock alone

Chip away the stone  
Chip away the stone  
Make the burden lighter  
If you must roll that rock alone

You can drive those wheels  
To the end of the road  
You will still find the past right behind you

Try to deny  
The weight of the load  
Try to put the sins of the past night behind you

Oooh, oooh  
Oooh, oooh

Carve away the stone  
Carve away the stone  
Make a graven image  
With some features of your own

Carve away the stone  
Carve away the stone  
Make a graven image  
With some features of your own

You can roll the stone  
To the top of the hill  
You can carry that weight

With an iron will

You can drive those wheels  
To the end of the road  
You can try to deny  
The weight of the load

Ooh, ooh  
Ooh, ooh

Roll away the stone  
Roll away the stone  
If you could just move yours  
I could get working on my own

Roll away the stone  
(Roll away the stone)  
Roll away the stone  
(Roll away the stone)  
If you could just move yours  
I could get working on my own  
(Roll away the stone)  
I could get working on my own  
(Roll away the stone)  
Roll away the stone

Ooh, ooh  
Ooh, ooh
