"Cold Fire"

Cold fire, it's a cold fire, it's a cold fire, it's a cold fire

It was long after midnight when we got to unconditional
love

She said, "Sure, my heart is boundless but don't push
my limits too far"

I said, "If love is so transcendent I don't understand
these boundaries"

She said, "Just don't disappoint me you know how
complex women are"

I'll be around if you don't let me down too far

I'll be around if you don't let me down

It was just before sunrise when we started on
traditional roles

She said, "Sure, I'll be your partner but don't make too
many demands"

I said, "If love has these conditions

I don't understand those songs you love"

She said, "This is not a love song, this isn't fantasy
land"

Don't go too far

A phosphorescent wave on a tropical sea is a cold fire

Don't cross the line

The pattern of moonlight on the bedroom floor is a cold
fire

Don't let me down

The flame at the heart of a pawnbroker's diamond is a
cold fire

Don't break the spell

The look in your eyes as you head for the door is a cold
fire

I'll be around if you don't push me down too far

I'll be around if you don't push me down

I'll be around if you don't push me down too far

I'll be around if you don't push me down

Don't go too far
A phosphorescent wave on a tropical sea is a cold fire
Don't cross the line
The pattern of moonlight on the bedroom floor is a cold
fire

Don't let me down
The flame at the heart of a pawnbroker's diamond is a
cold fire
Don't break the spell
The look in your eyes as you head for the door is a cold
fire

I'll be around if you don't let me down too far
I'll be around if you don't let me down
I'll be around if you don't push me down too far
I'll be around if you don't push me down
I'll be around if you don't let me down

Love is blind if you are gentle, love can turn to a long,
cold burn
