Why try? Now why?
This feeling inside me says it's time I was gone
Clear head, life ahead
It's time I was king, now not just one more pawn

Fly by night away from here
Change my life again
Fly by night, goodbye my dear
My ship isn't coming and I just can't pretend

Moon rise, thoughtful eyes
Staring back at me from the window beside
No fright or hindsight
Leaving behind that empty feeling inside

Fly by night away from here
Change my life again
Fly by night, goodbye my dear
My ship isn't coming and I just can't pretend

Fly by night away from here
Change my life again
Fly by night, goodbye my dear
My ship isn't coming and I just can't pretend
Start a new chapter, I find what I'm after
It's changing every day
The change of a season is enough of a reason
To want to get away

Quiet and pensive, my thoughts apprehensive
The hours drift away
Leaving my homeland, playing a lone hand
My life begins today

Fly by night away from here
Change my life again
Fly by night, goodbye my dear
My ship isn't coming and I just can't pretend
My ship isn't coming and I just can't pretend

Fly by night away from here
Change my life again

Fly by night, goodbye my dear
My ship isn't coming and I just can't pretend

My ship isn't coming and I just can't pretend
My ship isn't coming and I just can't pretend
