Tough times demand tough talk  
demand tough hearts demand tough songs  
demand --

We can rise and fall like empires  
Flow in and out like the tide  
Be vain and smart, humble and dumb  
We can hit and miss like pride

We can circle around like hurricanes  
Dance and dream like lovers  
Attack the day like birds of prey  
Or scavengers under cover

Look in -- to the eye of the storm  
Look out -- for the force without form  
Look around -- at the sight and the sound  
Look in look out look around --

We can move with savage grace  
To the rhythms of the night  
Cool and remote like dancing girls  
In the heat of the beat and the lights

We can wear the rose of romance  
An air of joie de vivre  
Too-tender hearts upon our sleeves  
Or skin as thick as thieves'

rising falling at force ten  
we twist the world and ride the wind

Look in -- look the storm in the eye  
Look out -- to the sea and the sky  
Look around -- at the sight and the sound  
Look in look out look around
