"Freewill"

There are those who think
That life has nothing left to chance
A host of holy horrors
To direct our aimless dance

A planet of playthings
We dance on the strings of powers we cannot perceive
The stars aren't aligned or the gods are malign
Blame is better to give than receive

You can choose a ready guide in some celestial voice
If you choose not to decide, you still have made a
choice
You can choose from phantom fears and kindness that
can kill
I will choose a path that's clear, I will choose freewill

There are those who think
That they were dealt a losing hand
The cards were stacked against them
They weren't born in Lotus Land

All preordained, a prisoner in chains

A victim of venomous fate
Kicked in the face, you can pray for a place
In heaven's unearthly estate

You can choose a ready guide in some celestial voice
If you choose not to decide, you still have made a
choice
You can choose from phantom fears and kindness that
can kill
I will choose a path that's clear, I will choose freewill

Each of us, a cell of awareness
Imperfect and incomplete
Genetic blends with uncertain ends
On a fortune hunt that's far too fleet

You can choose a ready guide in some celestial voice
If you choose not to decide, you still have made a

choice

You can choose from phantom fears and kindness that
can kill

I will choose a path that's clear, I will choose freewill
