There are those who think that life is nothing left to  
chance,  
A host of holy horrors to direct our aimless dance.

A planet of playthings,  
We dance on the strings  
Of powers we cannot perceive  
"The stars aren't aligned  
Or the gods are malign"-  
Blame is better to give than receive.

ou can choose a ready guide in some celestial voice.  
If you choose not to decide, you still haven't made a  
choice.  
ou can choose from phantom fears and kindness that  
can kill;  
I will choose a path that's clear-  
I will choose Free Will.

There are those who think that they were dealt a losing  
hand,  
The cards were stacked against them- they weren't  
born in lotus-land.

All preordained-  
A prisoner in chains-  
A victim of venomous fate.  
Kicked in the face,  
ou can't pray for a place  
In heaven's unearthly estate.

Each of us-  
A cell of awareness-  
Imperfect and incomplete.  
Genetic blends  
With uncertain ends  
On a fortune hunt that's far too fleet
