A to b

Different degrees

So much style without substance
So much stuff without style
It's hard to recognize the real thing
It comes along once in a while

Like a rare and precious metal
Beneath a ton of rock
It takes some time and trouble
To separate from the stock
You sometimes have to listen to
A lot of useless talk

Shapes and forms against the norm
Against the run of the mill
Swimming against the stream
Life in two dimensions
Is a mass production scheme

So much poison in power
The principles get left out
So much mind on the matter
The spirit gets forgotten about

Like a righteous inspiration
Overlooked in haste
Like a teardrop in the ocean
A diamond in the waste
Some world views are spacious
And some are merely spaced

Against the run of the mill
Static as it seems
We break the surface tension
With our wild kinetic dreams

Curves and lines of grand designs
Against the run of the mill
Swimming against the stream
Life in two dimensions

Is a mass production scheme

Against the run of the mill

Static as it seems

We break the surface tension

With our wild kinetic dreams
