"Hemispheres III. Armageddon"

The universe divided
As the Heart and Mind collided,
With the people left unguided
For so many troubled years.
In a cloud of doubts and fears,
Their world was torn asunder into hollow
Hemispheres.
Some fought themselves, some fought each other,
Most just followed one another
Lost and aimless like their brothers
For their hearts were so unclear
And the truth could not appear
Their spirits were divided into blinded
Hemispheres.
Some who did not fight
Brought tales of old to light.
"My Rocinante sailed by night
On her final flight."
To the heart of Cygnus' fearsome force
We set our course
Spiralled through that timeless space
To this immortal place.
