"I bring love to give you solace
In the darkness of the night,
In the Heart's eternal light.
You need only trust your feelings;
Only love can steer you right.
I bring laughter, I bring music,
I bring joy and I bring tears.
I will soothe your primal fears.
Throw off those chains of reason
And your prison disappears."

The cities were abandoned,

And the forests echoed song.
They danced and lived as brothers;
They knew love could not be wrong.
But the winter fell upon them
And it caught them unprepared,
Bringing wolves and cold starvation,
And the hearts of men despaired.
