{Thank you, thank you very much  
Wooh, we'd like to do something for you right now  
Thats on caressive steel  
This is a song that Neo wrote the lyrics for  
About a place not too far from where he was born  
Not too far from here, as a matter of fact  
It's called, "Lakeside Park" }

A midway hawkers calling  
"Try your luck with me"  
A merry go round wheezing  
Same old melody  
A thousand ten cent wonders  
Who could ask for more  
A pocketful of silver, yes  
The key to heaven's door

Lakeside Park  
Willows in the breeze  
Lakeside Park  
So many memories  
Laughing rides  
Midway lights  
Shining stars on summer nights

Days of barefoot freedom  
Racing with the waves  
Nights of starlit secrets  
Crackling driftwood flames  
Drinking by the lighthouse  
Smoking on the pier  
Still we saw the magic  
Was fading every year

Lakeside Park  
Willows in the breeze  
Lakeside Park  
So many memories  
Laughing rides  
Midway lights  
Shining stars on summer nights

Well, everyone would gather  
On the twenty-fourth of May  
Sitting in the sand  
To watch the fireworks display  
Dancing fires on the beach  
Singing songs together  
Though it's just a memory  
Some memories last forever
