Whoa, whoa

If we're so much the same like I always hear
Why such different fortunes and fates
Some of us live in a cloud of fear
Some live behind iron gates

Why such different fortunes and fates
Some are blessed and some are cursed
Some live behind iron gates
While others see only the worst

Some are blessed and some are cursed
The Golden One or scarred from birth
While others only see the worst
Such a lot of pain on the earth

Whoa, whoa

The Golden One or scarred from birth
Some things can never be changed
Such a lot of pain on this earth
It's somehow so badly arranged

Some things can never be changed
Some reasons will never come clear
It's somehow so badly arranged
If we're so much the same like I always hear

Some are blessed and some are cursed
The Golden One or scarred from birth
While others only see the worst
Such a lot of pain on the earth

Some are blessed and some are cursed
The Golden One or scarred from birth
While others only see the worst
Such a lot of pain on the earth
Such a lot of pain on the earth

Whoa, whoa

Some are blessed and some are cursed
The Golden One or scarred from birth
While others only see the worst
Such a lot of pain on the earth

Some are blessed and some are cursed
The Golden One or scarred from birth
While others only see the worst
Such a lot of pain on the earth

Such a lot of pain, such a lot of pain
Such a lot of pain on the earth
