Well, there's a time for feelin' as good as we can
The time is now and there's no stoppin' us
There's a time for livin' as high as we can
Behind us you will only see our dust

So we just keep smilin', move onward every day
Try to keep our thoughts away from home
We're trav'lin' all around, no time to settle down
And satisfy our wanderlust to roam

You know we're havin' good days
And we hope they're gonna last
Our future still looks brighter than our past

We feel no need to worry, no reason to be sad
Our mem'ries remind us

Maybe road life's not so bad

Well, from sea to shining sea and a hundred points
between
Still we go on diggin' ev'ry show
The cities in the land all extend a welcome hand
Till the morning when it's time for us to go

Well, you know we're havin' good days
And we hope they're gonna last
Our future still looks brighter than our past

Feel no need to worry, no reason to be sad
Our mem'ries remind us
Maybe road life's not so bad

Oh, yeah yeah yeah yeah yeah
Maybe road life's not so bad
Road life's not so bad, oh yeah, yeah
Oh, yeah yeah yeah yeah yeah
