*[Originally by Buffalo Springfield]*

Oh, hello, Mr. Soul, I dropped by to pick up a reason  
For the thought that I caught that my head is the event  
of the season

Why in crowds just a trace of my face could seem so  
pleasin'

I'll cop out to the change, but a stranger is putting the  
tease on

I was down on a frown when the messenger brought  
me a letter

I was raised by the praise of a fan who said I upset her

Any girl in the world could have easily known me better  
She said you're strange, but don't change, and I let her

In a while, will the smile on my face turn to plaster  
Stick around while the clown who is sick does the trick  
of disaster

For the race of my head and my face is moving much  
faster

Is it strange I should change I don't know, why don't  
you ask her *[4x]*
