So many things I think about  
When I look far away  
Things I know, things I wonder  
Things I'd like to say  
The more we think we know about  
The greater the unknown  
We suspend our disbelief  
And we are not alone...

Mystic rhythms  
Capture my thoughts  
Carry them away  
Mysteries of night escape the light of day  
Mystic rhythms  
Under northern lights  
Or the African sun  
Primitive things stir  
The hearts of everyone

We sometimes catch a window  
A glimpse of what's beyond  
Was it just imagination  
Stringing us along?  
More things than are dreamed about  
Unseen and unexplained  
We suspend our disbelief  
And we are entertained

Mystic rhythms  
Capture my thoughts  
Carry them away  
Nature seems to spin  
A supernatural way  
Mystic rhythms  
Under city lights  
Or a canopy of stars  
We feel the powers and wonder what they are

Mystic rhythms  
Capture my thoughts  
Carry them away  
Nature seems to spin

A supernatural way  
Mystic rhythms  
Under city lights  
Or a canopy of stars  
We feel the push and pull of restless rhythms from afar
