You just don't get it what it is  
Well, you're not really sure  
You move like you're walking on thin ice  
Talking like you're still insecure  
Time is a spiral, space is a curve  
I know you get dizzy but try not to lose your nerve

Life is a diamond, you turn into dust  
Waiting for rescue and I know that you just don't get it  
You just don't get it

Neurotica, exotica  
It's just erotica, hypnotica  
It's psychotica, chaotica  
It's just exotica, neurotica

Just don't get it, baby  
Don't you ask yourself why?  
If you don't like the answer, forget it  
You know I hate to see you cry  
Fortune is random, fate shoots from the hip  
I know you get crazy but try not to lose your grip  
Life is a diamond, you turn into dust  
Looking for trust and I know that you just don't get it  
Well, you just don't get it

Neurotica, exotica  
It's just erotica, hypnotica  
It's just psychotica, chaotica  
It's just exotica, neurotica

Snap, hide in your shell, let the world go to hell  
It's like Russian Roulette to you  
Snap, sweat running cold, you can't face growing old  
It's a personal threat to you  
Snap, the world is a cage for your impotent rage  
But don't let it get to you, snap

It's just neurotica, exotica  
It's just erotica, hypnotica  
It's just psychotica, chaotica  
It's just exotica, neurotica

It's just psychotica, neurotica  
It's just erotica, neurotica
