Begin the day with a friendly voice
A companion unobtrusive
Plays the song that's so elusive
And the magic music makes your morning mood

Off on your way, hit the open road
There is magic at your fingers
For the spirit ever lingers
Undemanding contact in your happy solitude

Oh yeah
Invisible airwaves crackle with life
Bright antennae bristle with the energy
Emotional feedback on timeless wavelength
Bearing a gift beyond price, almost free

All this machinery making modern music
Can still be open-hearted
Not so coldly charted
It's really just a question of your honesty, yeah, your
honesty

One likes to believe in the freedom of music
But glittering prizes and endless compromises
Shatter the illusion of integrity, yeah

Oh yeah
Invisible airwaves crackle with life
Bright antennae bristle with the energy
Emotional feedback on timeless wavelength
Bearing a gift beyond price, almost free

For the words of the profits were written on the studio
wall
Concert hall
And echoes with the sounds of salesmen
Oh salesmen
Oh salesmen
