"Subdivisions"

Sprawling on the fringes of the city
Geometric order an insulated border
In between the bright lights
And the far unlit unknown

Growing up it all seems so one-sided
Opinions all provided, the future pre-decided
Detached and subdivided in the mass production zone
Nowhere is the dreamer or the misfit so alone

Subdivisions
In the high school halls
In the shopping malls
Conform or be cast out

Subdivisions
In the basement bars
In the backs of cars
Be cool or be cast out

Any escape might help to smooth
The unattractive truth
But the suburbs have no charms to soothe
The restless dreams of youth

Drawn like moths we drift into the city
The timeless old attraction
Cruising for the action lit up like a firefly
Just to feel the living night

Where some will sell their dreams for small desires
Or lose the race to rats get caught in ticking traps
And start to dream of somewhere to relax their restless
flight
Somewhere out of a memory of lighted streets on quiet
nights

Subdivisions
In the high school halls
In the shopping malls
Conform or be cast out

Subdivisions
In the basement bars
In the backs of cars
Be cool or be cast out

Any escape might help to smooth
The unattractive truth
But the suburbs have no charms to soothe
The restless dreams of youth
