The massive grey walls of the  
Temples rise from the heart of every Federation city.  
I have always been awed by them,  
To think that every single facet of every life is  
Regulated and directed from within!  
Our books, our music, our work and play are all looked  
after  
By the benevolent wisdom of the priests...

We've taken care of everything  
The words you hear, the songs you sing  
The pictures that give pleasure to your eyes.  
It's one for all and all for one  
We work together, common sons  
Never need to wonder how or why.

We are the Priests of the Temples of Syrinx  
Our great computers fill the hallowed halls.  
We are the Priests, of the Temples of Syrinx  
All the gifts of life are held within our walls.

Look around at this world we've made  
Equality our stock in trade  
Come and join the Brotherhood of Man  
Oh, what a nice, contented world  
Let the banners be unfurled  
Hold the Red Star proudly high in hand.

We are the Priests of the Temples of Syrinx  
Our great computers fill the hallowed halls.  
We are the Priests, of the Temples of Syrinx  
All the gifts of life are held within our walls.
