## "The Body Electric"

Visit "[The Body Electric](#)" on MotoLyrics.com

One humanoid escapee  
One android on the run  
Seeking freedom beneath a lonely desert sun

Trying to change its program  
Trying to change the mode, crack the code  
Images conflicting into data overload

1 0 0 1 0 0 1  
SOS  
1 0 0 1 0 0 1  
In distress  
1 0 0 1 0 0

Memory banks unloading  
Bytes break into bits  
Unit one's in trouble and it's scared out of its wits

Guidance systems break down  
A struggle to exist, to resist  
A pulse of dying power in a clenching plastic fist

1 0 0 1 0 0 1  
SOS  
1 0 0 1 0 0 1  
In distress  
1 0 0 1 0 0

Replays each of the days  
A hundred years of routines  
Bows its head and prays  
To the mother of all machines, all machines

1 0 0 1 0 0 1  
SOS  
1 0 0 1 0 0 1  
In distress  
1 0 0 1 0 0

It replays each of the days  
A hundred years of routines  
Bows its head and prays

To the mother of all machines, mother of all machines
