Look! The mist is rising
And the sun is peaking through
See the steps grow lighter
As I reach their final few
Hear the dancing waters
I must be drawing near
Feel, my heart is pounding
With embattled hope and fear
Now, at last I fall before
The Fountain of Lamneth
I thought I would be singing
But I'm tired...out of breath
Many journeys end here
But, the secret's told the same:
Life is just a candle, and a dream
Must give it flame
The key, the end, the answer
Stripped of their disguise
Still it's all confusion
And tears spring to my eyes
Though I've reached a signpost
It's really not the end
Like Old Sol behind the mountain
I'll be coming up again.
I'm in motion
I am still
I am crying
I am...still.
I'm together
I'm apart
I'm forever
At the start
Still... I am.
