Begin the day with a friendly voice,  
A companion unobtrusive  
Plays the song that's so elusive  
And the magic music makes your morning mood.

Off on your way, hit the open road,  
There is magic at your fingers  
For the Spirit ever lingers,  
Undemanding contact in your happy solitude.

Invisible airwaves crackle with life  
Bright antenna bristle with the energy  
Emotional feedback on timeless wavelength  
Bearing a gift beyond price, almost free

All this machinery making modern music  
Can still be open-hearted.  
Not so coldly charted, it's really just a question  
Of your honesty, yeah, your honesty.

One likes to believe in the freedom of music,  
But glittering prizes and endless compromises  
Shatter the illusion of integrity.

For the words of the profits were written on the studio  
wall,  
Concert hall  
And echoes with the sounds of salesmen
