Cause you've been holding my hand,
Keeping me up,
Dragging me down,
Walking on me.
Please turn away.
Don't turn your back.
Please write me back,
Dear whatever.

Woah woah
Wooahhwoahh
Dear whatever
Woah woah
Wooahhwoahh
Dear whatever

I'll write you a letter,
To explain myself
Teenage suicide hides in my mind.
And shadows over your eyes again,
I hope they won't cry.
As I'm standing over your dead body,
Wondering if I had another chance,
Would I be able to save your life?
Come back forever,
We'll be together,
Please write me back dear whatever.

Woah woah
Wooahhwoahh
Dear whatever
Woah woah
Wooahhwoahh
Dear whatever

And I wish there was something that I could do
I wish there was someone for u to go to
I wish there was something for me to say
I will bring you back from the dead.
I will bring you back from the dead.
I will bring you back from the dead.
