You were the perfect girl  
From your head to your toes  
You could be looking your worst and nobody knows  
Even though I can't be with you  
I want you to know

You're still beautiful  
And always will be  
It just wont be with me  
Why don't you just say  
It is so obvious to me  
Why this can't be  
You are too good for me  
If it is soo easy for me too see  
Why did you let me be

Living in lies  
Out of my life  
I loved you  
You lied to me  
Can't you see how you hurt me

Nevertheless, I can honestly still say I love you  
Cause I do  
With all my heart and soul  
I just wanted you to know  
I cried for you  
I would die for you  
I love you so  
Here I go
