Oh, fight for love and freedom
Go to eternal kingdom

You, riding clouds for hundred years, sailing oceans with no fear
Fighting 'till the end for life and dreams, freedom comes
Storm could open all the doors, fill your sails with brand new hope
Standing proud in spite of wind, born to fight

Oh, fight for love and freedom
Go to eternal kingdom
Oh, fight for love and freedom
Go to eternal kingdom

Come, come to me and bring the light - show the way for us, we gonna fight
If you taste love and freedom once - you will fight
You, shoulder-to-shoulder, hand-in-hand, here we are, for our voice we'll stand
Fighting 'till the end for life and dreams, freedom bell

Oh, fight for love and freedom
Go to eternal kingdom
Oh, fight for love and freedom
Go to eternal kingdom

And the dreams come true
When we fight for love and freedom
When we stand as one in the wind eyes
When we believe and pray

Oh, fight for love and freedom
Go to eternal kingdom
Oh, fight for love and freedom
Go to eternal kingdom

Oh, fight for love and freedom
Go to eternal kingdom
Oh, fight for love and freedom

Go to eternal kingdom
