Tâ³k - tak, ne spit' starovinniy godinnik,
Nakrilas' hmarami vtomlena zemlya,
Zgornulas' klubochkom pâ³d plyushevim nebom
Malen'ka splyacha krasunya moya.
Tiho, tiho rozpochnet'sya kazka,
Nâ³ch nakine na mâ³sto shifon,
Tebe na povâ³tryanâ³y kulâ³ vâ³ter,
Nese v bezmejnu kraâ³nu pâ³d nazvoyu Â«SonÂ».
Pâ³demo zâ³ mnoyu malen'ka krasunya
Tudi, de kazkoviy vâ³ter vipryadaâ³ sni,
Tihen'ko poskripuâ³ charâ³vne veretence,
Schob kol'orova kazka snilasya tobâ³.
Tut koloni trimayut' mâ³syac',
Zâ³rkami na kupol neba - letyat' svâ³tlyachki,
Tut, mâ³j zemlyu Â³ nebom, mrâ³â³
Na lancyugah goydayut' pâ³dvâ³snâ³ mosti...
Tâ³k - tak, ne spit' starovinniy zamok,
V dalekâ³ koralovâ³ rifi nesut' tebe... (korablâ³)
Skâ³nchit'ya son, na zemlyu priyde svâ³tanok
Koli kazkoviy câ³lunok rozbudit' tebe...
Spi... Spi...
