Wait 'Till My Bobby Gets Home

Darlene Love

-written by Ellie Greenwich and Jeff Barry

and featured in the Broadway musical, "Leader of the Pack".

You've been calling in me every day

Ever since my Bobby went away

You've been knocking on my front door

And I know just what you're looking for, but

Even though you really look so fine

And we've been having good times

CHORUS:

I'm gonna wait, 'till my Bobby gets home

Wait 'till my baby gets home

Yeah, yeah, yeah you better leave me alone

True I need some lovin' and some kissin' and a huggin'

But I'll wait 'till my Bobby gets home

You wanna take me to a movie show

I gotta tell you that I just can't go

I know Bobby's gonna call tonight

I wanna tell him every thing's alright, and

Though I haven't got a thing to do

And I'm so lonely and blue

CHORUS

(Sax solo)

CHORUS

(Fade on Wait 'till my Bobby gets home, whoa-whoa-  
whoa
