Another introduction in the swelling act of sex
There's little one can do to prepare for the unknown

Get down on the floor
Gotta get down on the floor
Gotta get down...
I wanna see something I've never seen before

Get down on the floor
Gotta get down on the floor
Gotta get down...
I wanna see something I've never seen before

Get down on the floor
Gotta get down on the floor
Gotta get down...
I wanna see something I've never seen before

Get with the program, get with the program
Get with the program, gotta get with the program
Get with the program, get with the program
Get with the program, gotta get with the program

Your mom and dad are getting ready for the next world

Get down on the floor
Gotta get down on the floor
Gotta get down...
I wanna see something I've never seen before

Get down on the floor
Gotta get down on the floor
Gotta get down...
I wanna see something I've never seen before

Get down on the floor
Gotta get down on the floor
Gotta get down...
I wanna see something I've never seen before

Get with the program, get with the program
Get with the program, gotta get with the program
Get with the program, get with the program
Get with the program, gotta get with the program

Your mom and dad are getting ready for the next world
Your mom and dad are getting ready for the next world
(Mom, Dad)
Your mom and dad are getting
