Well, it's all over now  
You see I'm leaving you for good  
Ya just don't pay me no mind  
And ya don't treat me like you should  
You know you don't  
You know you don't  
Girl, I'm tired of begging  
You got me down on my knees  
There ain't no two ways about it, baby  
You got to love me or let me be  
That's what I... that's what I said

I've heard your lies a thousand times  
Like a fool I believed you  
Damn, I must be blind  
Not this time I'm walking out that door  
Way beyond forgiveness I can't take it no more

Yeah, people been talkin'  
They say ya been sleeping around  
Oh no, oh no  
Now that I'm walkin', baby  
So tell me who you doin' now  
Yeah, like I really wanna know

I've heard those lies so many times  
Like a fool I believed you  
God, I must be blind  
Not this time I'm walking out that door  
Way beyond forgiveness I can't take it no more

God knows I've tried  
Done all I can do  
Still I can't seem to get through to you  
I need a woman who understands  
How to love  
How to love  
How to love a man

You just don't understand  
Ya think love is a late night booty call  
Well, if I didn't hit it, baby

You wouldn't come around here at all  
Oh, you know it's true

These cryin' eyes are seein' clear  
Don't you even dare  
Don't you even dare to try and tell me what I wanna  
hear  
Not this time I'm walking out that door  
We're way beyond forgiveness  
I can't take it no more

God knows I've tried  
Done all I can do  
Still I can't seem to get through to you  
I need a woman who understands  
How to love  
How to love  
How to love a man
