(Crowe / Cochran)

Well I'm doing it again  
I'm searing inside your picture  
I'm supposed to be your friend  
So I adjust what you want me to think  
And I wonder what I'd do - if you blinked  
Reached out and touched me

It's a wonder that I get any sleep  
When the woman I need is so far out of reach  
When we touch and when we talk  
Our needs are the same  
Well I ache for more of - What's her name?  
What's her name?  
What's her name?

And I know those earrings  
And I have seen parts of that dress  
And her hands sparkle with promises  
Secrets I'm never gonna get to keep

It's a wonder that I get any sleep  
When the woman I need is so far out of reach  
When we touch and when we talk  
Our needs are the same  
Well I ache for more of - What's her name?  
What's her name?  
What's her name?

Well I'm doing it again  
I'm searing inside your picture  
I'm supposed to be your friend  
So I adjust what you want me to think  
And I wonder what I'd do - if you blinked  
Reached out and touched me

It's a wonder that I get any sleep  
When the woman I need is so far out of reach  
When we touch and when we talk  
Our needs are the same

Well I ache for more of - What's her name?  
What's her name?  
What's her name?  
Well I'm doing it, I'm doing it, I'm doing it, I'm doing it  
again
