(Crowe)

One of these streets  
The city of dreams  
Wakes anticipating  
In the doorway I lean  
On the corner of 44th & 9th  
Ain't nothing to be seen

But this is where Lennie lives

The pain gets worse  
But I ignore it  
It don't really hurt if there ain't a pill for it  
I see so many blackbirds  
The end of it all  
My luck's a baby sister  
You gotta be responsible  
You listen to her talking 'bout the colour of her hair  
You gotta notice sooner or later  
If it starts wearing thin

Charlie told me that he didn't understand  
How I could do anything but sing with the band  
I said Charlie  
I still wear the scars from letting my emotions ride  
Touring bar to bar  
Something had to stop me  
Something had to make me keep it in

I'm cheered by the thought  
Of so much thinking  
Sad song singers  
Never depress me  
So much to say she'd buy  
Ten stories a day  
He'd like wine with the west wind  
If you are going that way

Everything new carries it's threat  
I work myself open  
I'm so deep in debt

I've stopped working  
I'm waiting for the chains  
Perspectives your cloud baby  
Here comes the rain
