I know that you're my baby,
You know I need you now,
Don't know where I'm going,
Gotta get there someday,
Gotta get there somehow,
Somehow,

You can stay away tonight,
But I'm still sleeping alone,
My head above the clouds,

(Chorus)

Think I feel your heartbeat,
Can you feel mine,
Please can't you love me,
I promise we'll take it slow,
Take it to the end.

Wait before you walk away,
I didn't mean to hurt you,
Soon we'll be together again,
And I'll make it up to you,
Make it up to you somehow,
Somehow,

Won't you think of me tonight,
I'm still thinking of you,
My thoughts are looking up,
[Chorus]
