Gotta girl so fine
Loves me all the time
Pull her hair slap her face
It's alright
She just wants
To be disgraced
And you say it should be better
And if I don't think so
Temptation
You just can't resist so it goes
Call it heaven call it a day
You think it's wrong
Oh no such a comfortable place

I went out all night again
Bruise and pills
Cocaine
Getting off however you can
It's alright
As long as kills the pain
And you say it should be better
And if I don't think so
Temptation
You just can't resist so it goes
Call it heaven call it a day
You think it's wrong
Oh no such a comfortable place

Gotta girl so fine
Loves me all the time
Pull her hair slap her face
It's alright
You just want
To be the place then you say should be
Better and if
I don't think so
Temptation
You just can't resist so it goes
Calling heaven calling a day
You think it's wrong
Oh no you think it's wrong
Oh no such a comfortable place
