"As My Mother Wanted Me To Marry"

Visit "[As My Mother Wanted Me To Marry](#)" on MotoLyrics.com

My mother wanted me to marry number one
Who was unfaithful...
Do not let me marry him, mother!

My mother wanted me to marry number two
Who was sick all the time...
Do not let me marry him, mother!

My mother wanted me to marry number three
Who was like the wind in the field...
Do not let me marry him, mother!

My mother wanted me to marry number four
Who was not dead and not alive...
Do not let me marry him, mother!

My mother wanted me to marry number five
Who was damn drunk...
Do not let me marry him, mother!

My mother wanted me to marry number six
Who was shorty...
Do not let me marry him, mother!

My mother wanted me to marry number seven
Who was fun...
But he did not want to marry me!
