This song is never ending chapter of my love for you
This day is a day that you have crafted of your love to
me
You're of the giver of all hope love and peace
Let your love always surround me
I adore you
I adore you
Because of who you are

My life I lay aside to please you
You're so wonderful
What can these fragile hands do for you
You're so awesome
You're the giver of all hope love and peace
(you give me peace, perfect peace)
Let your love always surround me
I adore you
I adore you

I love you
With all my heart
I love you I really do
When I'm on the mountain you are there
And even in the valley I wont fear
You're the giver of all hope love and peace
(you give me peace, perfect peace)
Let your love always surround me
I adore you
I adore you
It's because of who you are

You're the source of my life
(because of who you are)
Center of my joy
(because of who you are)
Giver of my peace
(because of who you are)
Everything and it's because of who you are
