"Everyday Everynight"

You were travelling really far
I had to stay in watch the plants
Be sorry

Miles away and planes apart
You were discovering a new land
I was lonely

You were young and I was sad
I just wanted to be by your side
Everyday, everynight, no more shall we part
Everyday, everynight, no more shall we part

You were dancing in my head
I played forever Last Year's Man
I'm sorry

Keep my trousers
Stay in bed and read the good things
I'm afraid now you're lonely

You were young and I was sad
I just wanted to be by your side
Everyday, everynight, no more shall we part
Everyday, everynight, no more shall we part
