I'm coming for more without asking
Cause my attitude's selfish like that
And you're closing the jar of the music
Room fading the notes
Them played there inside

I make me go deaf
Without caring about
Am I thirst of those notes, can't be put away

I don't know how
But I am down
To the boiling
Oh deep down
Where its thoughts
You must still mean no
Cause I am down, down, down

And I did never want excuse or answer
Never came here for reasons or statements
Your vocabulary renders words never heard by my ear
I am transcribing what you said then
I am not lying

I make me go deaf
Without caring about
Am I thirst of those notes can't be put away

I don't know how
But I am down
To the boiling
Oh deep down
Where its thoughts
You must still mean no
Cause I am down, down, down

No, I'm down
So deep down
No, I'm down
So deep down
No, I'm down
You must still mean no
Cause I'm sorry, no
But I am down, down, down

Submitter's comments:Â

The lyrics of this song weren't online, so I tried to transcribe it. I did my best, but I know there could be some mistakes (even lots of them). I put the youtube link, so if you listen to it and discover there's something wrong, just tell me and I'll change it.

Thank you.
