"Ordinary World"

Came in from a rainy Thursday on the avenue
Thought I heard you talking softly.
I turned on the lights, the TV and the radio
Still I can't escape the ghost of you
What has happened to it all?
Crazy, some'd say,
Where is the life that I recognize?
Gone away...

But I won't cry for yesterday, there's an ordinary world,
Somehow I have to find.
And as I try to make my way, to the ordinary world...
I will learn to survive

Passion or coincidence once prompted you to say
"Pride will tear us both apart"
Well now pride's gone out the window cross the
rooftops, run away,
Left me in the vacuum of my heart.
What is happening to me?
Crazy, some'd say,
Where is my friend when I need you most?
Gone away...

But I won't cry for yesterday, there's an ordinary world,
Somehow I have to find.
And as I try to make my way, to the ordinary world...
I will learn to survive

Papers in the roadside tell of suffering and greed
Here today, forgot tomorrow
Ooh, here besides the news of holy war and holy need
Ours is just a little sorrowed talk

(Just blown away...)

And I don't... (chorus)

Every world, is my world... (I will learn to survive)
Any world, is my world... (I will learn to survive)

Any world, is my world...

Every world is my world...
