Up above my head - there's music in the air.

Up above my head - there's music in the air.

Oh I really do believe there must be heaven
somewhere.

Up in my room - there's music in the air.

Up in my room - there's music in the air.

Oh I really do believe there's a heaven somewhere.

Everywhere I go - there's music in the air.

Everywhere I go - there's music in the air.

Oh I really do believe there must be heaven
somewhere.

All over the world - there's music in the air.

All over the world - there's music in the air.

I really do believe must be heaven somewhere.

Instrumental

Up above my head - there must be music in the air.

Up above my head - there's music sweet music
everywhere.

Oh I really do believe must be heaven somewhere.

Everywhere I go - there's music in the air.

Everywhere I go - there's music in the air.

I really do believe there's a heaven somewhere.

Oh I really do believe there's a heaven somewhere.

I really do believe must be heaven somewhere, yeah.
