Pilgrim how you journey  
On the road you choose  
To find out where the winds die  
And where the stories go

All days come from one day  
That much you must know  
You cannot change what's over  
But only where you go

One way leads to diamonds  
One way leads to gold  
Another leads you only  
To everything you're told

In your heart you wonder  
Which of these is true  
The road that leads to nowhere  
The road that leads to you

Will you find the answer  
In all you say and do?  
Will you find the answer  
In you?

Each heart is a pilgrim  
Each one wants to know  
The reason that the winds die  
And where the stories go

Pilgrim in your journey  
You may travel far  
But pilgrim it's a long way  
To find out who you are

Pilgrim it's a long way  
To find out who you are
