The Holy Spirit is here  
And His power is real  
Anything can happen  
And it probably will  
Something very good  
Something good is going on around here

There's a light that shines  
To make the dark disappear  
A power at work  
But there's nothing to fear  
Something very good  
Something good is going around here

This is a church on fire  
This is the Holy Spirit flame  
We have a burning desire  
To lit up Jesus' name

Let fire burn in every heart  
To light the way, defeat the dark  
Let the flame of love burn higher  
This is a church  
This is a church on fire
