From the moment I opened my heart
You gave me Your love from heaven above
King of Glory, Jesus You'll always be mine

Lord I love You, it's all I can say
You amaze me every moment, every day
My creator, Jesus my Lord, always

CHORUS:

From the depths of my heart to the heaven above
There I feel Your embrace and the warmth of Your love
I'm not afraid 'cause Jesus I know You are here

You are here...

You're my Saviour, redeeming grace
Generations will sing of Your praise
Be exalted forever and ever more

Back to CHORUS

*Great is the Lord and most worthy of praise
Great is the Lord, glorified
* ---- repeated
(glorified....)

Back to CHORUS (2x)

You are here...

From the depths of my heart and to the heaven above
You are here
There I feel Your embrace and the warmth of Your love
You are here

Na na na na..... na na na na na..... (repeated)
