One hope, one voice, one light we see  
One body, one heart, one destiny  
Joined in Your body, joined in Your blood  
Eternally united by Your love

We are joined in Your body  
Joined in Your blood  
Eternally united by Your love

One purpose, one dream, one life to live

One promise, one faith, one life to give  
Joined in Your body, joined in Your blood  
Eternally united by Your love

We are joined in Your body  
Joined in Your blood  
Eternally united by Your love

We are joined in Your body  
Joined in Your blood  
Eternally united by Your love
